

MONEY MATTERS

As a true community bank, our mission is to lend money to build local businesses and homes for our neighbors. Community Bank has a long history of serving the communities that we call home. Our staff share their time and talents by volunteering for many local non-profits and community organizations. Volunteer hours are nearly 1,500 annually. We meant it when we say it's our privilege to make a positive impact on our customers and communities. We're not just your bankers, but your neighbors and friends too. Our employees live and work in the communities we serve, making our stake in your success even greater.

Yes, we offer all the great products and services you're accustomed to and look for in a bank. The commitment we have for you and our communities runs much deeper than that. After serving the area for more than 50 years, we are proud to call Mankato, Amboy, Vernon Center and Eagle Lake home.

Thanks for your past and present business. We look forward to serving you in the future!

Sincerely,
Quentin Beadell
President of Community Bank
