

As another year comes to a close, I think back to the beginning of my banking career that started when I was in college. At the time, I was also working at Mayso's Clothing Store and one of my jobs was to take the deposit to the bank. When a position opened up in the bank's bookkeeping department, I was invited to apply. That was the start of what has been over 60 years in banking.

As I reminisce, I'm reminded about how much change we've seen. One thing that has not changed is the fact that we remain committed to serving our customers. Our goal each day is to demonstrate how a family-owned community bank can provide a wide array of financial services to meet just about any financial need you may have. Local decision-making and responsiveness are the hallmarks of our organization. We truly appreciate your business and we're grateful for the trust you've placed in us. Our mission statement clearly defines our approach to banking: "We are dedicated to satisfying the needs of our customers and employees in a warm and friendly hometown atmosphere." We know there are many options in the marketplace and we are thankful that you have chosen to do business with Community Bank.

Happy New Year from all of us at Community Bank!

Sincerely,
Quentin Beadell
President of Community Bank

At Community Bank, we have a tradition of wearing jeans one Friday a month. The Friday typically coincides with our "Friday Giveaway" so you may have noticed a change in attire by our staff! Staff has decided that in order to wear jeans a donation should be made to a collective that will pay out to a different charity each month. The charity is picked based on staff votes and changes each month. Over the last year, our staff has raised \$6,629 that has been donated to local charities! We are extremely proud of this number and are excited to keep the tradition going into 2025!
